I Hope everyone is getting through the lockdown, there does seem to be a light at the end of the tunnel now. There are still plenty of restrictions for us to follow though, on the Green and in the club house, all the guidelines are put in place for your safety.

I would like to give a Special mention to all the members who have worked hard at the club during lock down, The green staff for keeping the green in great shape, the painters who have painted the outside of the club, the gardeners who have kept the gardens looking good, and our steward who has kept the bar and club house maintained. Thank you to you all.

If any members have any potted plants they could donate to the club to brighten the outside areas they would be gratefully received.

If you know of any member who does not have an Email account could you please pass the information from this Newsletter on to them, Thank you, and stay safe
