The weekend leagues were a massive success keeping the club open and the bar busy in these unprecedented times, also thanks are due to Cherril Starmar for running the Wednesday afternoon roll-up, which gave 24 bowlers the chance to get out in the week for an hours bowling and socializing.

Farewell Message

As you may or may not know Ann and myself are moving soon, we would like to take this opportunity to say thank you to all the members for the friendships we have formed over the years in the club.

Watchet Bowling club is, and always will be close to our hearts. We wish the club every success with the new build, and I'm sure this family-friendly club will continue to prosper in the future.

We wish everyone well and hopefully, next year will be COVID 19 free, and a better year for the club and it's members.

Best Wishes

Mike Radford and Ann Snelling
