1. The club will remain closed until further notice I will keep you all updated via email
2. The contracts for the new build were signed on Monday and the demolition of the garages will start this month and be completed in January ready for the new building works to start at the end of January early February 2021
3. Norma & Mike Webber's Honesty Stall has just reached a crazy total of £1000 for the club, who would have thought that when they started it back in March with a few tomato and flowers plants they would reach this total. They would like to thank all the members and friends who have contributed to this brilliant total , also those of you who have provided us with various items of bric-a-brac over the last few months as well, We have decided to carry on running the stall, as it does help club funds through this difficult time. If anyone has any items suitable for the stall, we would be very grateful, but please give us ring on 01984 631556, as the garage is already quite full with some items that have not sold, that we will eventually have to dispose of, once again many thanks to you all.

THE WATCHET BC COMMITTEE would like to add a vote of thanks to Norma & Mike for the effort they have put in.

1. We are also looking for someone to run the Jack Stephens Trophy on a Monday night please let me know by reply to this email if interested.
2. And finally, one of our members left their copy of the new build plans at British Legion Club, if they could let me know who they are I will make sure they are returned.

Merry Christmas and a Happy New Year to you all

DECEMBER 2020. Editor Ron Scott
