

## **Watchet Bowling Club - May Newsletter**

*Well, the season is now on the way with our first friendly this weekend, since the fixture booklet was printed there have been many changes these can be seen in the clubhouse window and updated regularly.*

*The Wednesday Evening Triples League is now underway and also the Bowling Abroad Sponsored Sunday Pairs.*

*Cherril Starmer has been organising a roll up on Fridays at 6 pm this has really taken off starting with a couple of triples and now a good turnout in attendance a good way to all meet up and then have a drink after. PLEASE CONTACT CHERRIL*

*Don't forget as from next Monday you will be allowed inside the clubhouse with covid rules still in place, please abide by them, as we are mentioning covid rules if you want serving drinks inside or outside YOU MUST BE SEATED to order.*

*On the subject of the bar, more runners to take orders from seated customers are required and also we need some volunteers to work behind the bar to help Ron & Kathy out as it is not fair that they should miss out on their bowls every week. PLEASE CONTACT KATHY for either voluntary help, training given.*

*Pam Perkins is holding a training session for 12 children from the local school (plus two teachers) every Tuesday at 1.30 pm for approximately one and a half hours session, so if anyone could help her out please, it does not have to be every week, PLEASE CONTACT PAM, also we need to borrow some small sets of bowls size 0 or 00*

*Mike & Norma Webbers honesty stall has now taken over £2,000 for the building fund, a big thank you to you both, this is still ongoing so if anyone has any items they don't want in the loft or shed, they will be much appreciated, (Ladies your old husbands don't count)*

*And finally, I have sent out the forms for the clubs internal competitions please send these back ASAP to ROD*

*See you all at the club.*

*Best Regards*
